# ARTICULATION AGREEMENT

**PURPOSE:** This Articulation Agreement between Embry-Riddle Aeronautical University - Worldwide and Palm Beach Community College is a cooperative agreement that facilitates the transfer of students from Palm Beach Community College to Embry-Riddle Aeronautical University - Worldwide. Courses are carefully reviewed and evaluated to insure that their content and course objectives are equivalent and will transfer to ERAU.

**Academic Provisions:** Articulation degree templates are degree/catalog year specific and will be updated on an annual basis. Both institutions agree to share information on program updates, changes and all processes relative to this agreement.

**Contact Information:** If you require additional assistance, please contact your local Embry-Riddle representative, Michael M. Van Dusen, Director of Academic Support; Embry Riddle Aeronautical University; Fort Lauderdale Center; 3201 W. Commercial Blvd., Suite 118; Ft. Lauderdale, FL 33309; (954) 497-3774, e-mail address, ft.lauderdale.center@erau.edu; or the Worldwide Enrollment Management Articulations Manager, Dr. Doug Mikutel, at 1-800-522-6787 or douglas.mikutel@erau.edu.

**Other Provisions:** This agreement becomes effective upon the signing of both parties and shall continue in effect until both parties agree in writing to modify or terminate the agreement. Termination of the agreement shall become effective ninety (90) days after written notice is given. Should either party decide to terminate the agreement, ERAU will honor the Articulation Enrollment Forms for students and applicants who signed the form prior to the cancellation date.

## INTRODUCTION

Embry-Riddle Aeronautical University is an independent, non-sectarian, non-profit, coeducational university with a history dating back to the early days of aviation. The University serves culturally diverse students motivated towards careers in aviation and aerospace. Residential campuses in Daytona Beach, Florida, and Prescott, Arizona, provide education in a traditional setting, while an extensive network of Worldwide centers throughout the United States and abroad serves civilian and military working adults.

Embry-Riddle is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097, Telephone: 404-679-4501) to award degrees at the associate, bachelor's, and master's levels.

Worldwide seeks to be the provider of choice of peerless academic degree and certificate programs, corporate training, and professional development services to working professionals and their employers in the aerospace and aviation industries. As a student-centered campus, we accomplish our mission by effectively developing, delivering, and continually assessing high-quality, high-demand, and highly relevant degree and non-degree professional programs through both face-to-face traditional classroom instruction and through asynchronous, interactive online delivery. In so doing, we enable professional working adult learners to advance their personal and career goals in ways that meet their needs regardless of geographic location or the constraints of time. Worldwide is organized under the direction of the Chancellor.

The size and geographic dispersion of the University coupled with a faculty that places teaching as their foremost activity, insures small class sizes and the opportunity for ample interaction between faculty and students.

It is the purpose of Embry-Riddle Aeronautical University to provide a comprehensive education to prepare graduates for productive careers and responsible citizenship with special emphasis on the needs of aviation, aerospace, engineering and related fields.

This Articulation Agreement in Bachelor of Science in Professional Aeronautics, Bachelor of Science in Technical Management, and Bachelor of Science in Aviation Maintenance Management between Embry-Riddle Aeronautical University - Worldwide and Palm Beach Community College is designed to facilitate the transfer of students. Students who are intending to make the transfer under these programs, and others who might be advising those students should use this Articulation Agreement.

To be considered for admission, students transferring to Embry-Riddle Aeronautical University - Worldwide must have earned at least a minimum cumulative grade point average (CGPA) of 2.0 for all institutions attended to be considered for admission.

Even though transfer credit is awarded for a specific ERAU course as part of the Agreement, no assumption may be made that credit is awarded for any prerequisite course(s) to the ERAU course unless it is (they are) specifically part of this Agreement. A grade of "C" or better is required to be accepted as transfer credit.

It is important that the transfer student provide official transcripts as soon as possible for the timely evaluation and transfer of credits before actual enrollment in the University degree program.

All programs and courses listed in the ERAU catalog are not available at every Worldwide Campus or distance learning.

## Articulation Dual Admission Form

The primary purpose of an articulation agreement is to assure that coursework taken at another institution will transfer to ERAU and satisfy specified degree requirements. The student becomes subject to the requirements of the curriculum in the specified catalog at the time of enrollment and is assured that courses taken will apply even though the curriculum may have undergone significant change prior to the student's actual enrollment at the University. Please review the articulation agreement prior to completing the enrollment form.

# International Students

## **International Students at the Ft. Lauderdale Center, Miami Center, Oakland Center, or Orlando Center**

All International students holding F1 visas may participate in 2+2 articulation agreements.

All International students holding F1 visas may participate in dual enrollment articulation agreements only under the following circumstances.

- to complete flight hours
- to take a class needed for graduation that is not offered by their Resident Center

## **International Students at all other centers**

Students holding a J1 visa can take courses at ERAU "non-authorized" centers until 60 days prior to the expiration of their J1 visa and then transfer to one of ERAU's authorized International Student centers (Ft. Lauderdale, Miami, Oakland, Orlando)

### **OR**

Students can enroll in up to 24 credit hours prior to transferring to one of ERAU's "authorized" International Student centers to become an F1 student with ERAU.

## **International Students with all other types of visas**

Students with all other types of visas interested in participating in an articulation agreement and in attending ERAU should contact ERAU's International Student Compliance Manager for information on admissions and enrollment.
