Some Florida public universities offering this major: [FAU](#) [FIU](#) [UF](#) [UWF](#) [FSU](#) [UNF](#) [USF](#) [UCF](#) [FAMU](#) \*for a more extensive list of colleges and universities, go to [www.petersons.com](http://www.petersons.com)

**Description of major:** Computer study focuses on the design, manufacture, application, and effectiveness of computers, computer materials, and computer equipment. It includes the management, analysis, and dissemination of information via the computer from tiny hand-held electronic gadgets to huge multi-cabinet computers operated by many large organizations. Computers pervade our culture and affect nearly every aspect of our daily lives.

Regardless of your career choice, increase your marketability to employers through internships, related work experience, good grades, and involvement in college activities. Visit the Career Center at your campus to research this field. Talk to people employed in these occupations and meet with an Academic Advisor to develop an academic plan for this major.
