EXPLORING COLLEGE AND CAREER OPTIONS

A workshop for students who are uncertain about which program of study/college major to take at PBCC

Advance Registration Required! To schedule a convenient date, visit:

<http://www.pbcc.edu/undecidedworkshops.xml>

Overview:

These workshops are designed for undecided prospective students, who are confused about what PBCC programs, certificate or degree seeking, are best for them to pursue. Workshop activities are designed to help clarify career and education goals and provide direction for continued exploration.

Participants will:

- Receive an overview of PBCC educational programs
- Take a career interest inventory to identify potential occupations and educational programs to explore;
- Relate your career interests to programs of study at PBCC;
- Learn about resources for more career and educational information gathering; and,
- Identify next steps in your planning process.
- **Time for Questions!**

Additional Information:

- **Eligibility:** Up-to date PBCC application on file
- **Free!** No cost involved
- Workshops are offered throughout the school year, day and evening sessions available
- Sessions last 90 minutes.
- Enrollment maximum: 10-15 (depending on location)
