

Pay for your PBCC education with the **TuitionPaySM Plan!**

Now you can pay for your PBCC education in manageable, interest-free payments using the TuitionPaySM Plan, administered by Sallie Mae[®].

Enrolling in the TuitionPay Plan is quick and convenient. Just follow these easy steps:

Visit www.pbcc.edu, then:

- > click on PantherWeb
- > enter student ID and PIN
- > select Tuition Payment Plan

Payments are made via automatic withdrawal (ACH) or credit card, so be sure to have your bank account information ready when you enroll. You will also need to provide valid credit card information as an alternative or back-up payment method if ACH is selected. This Plan is interest-free. A \$45.00 nonrefundable application fee for the TuitionPay Plan will be assessed.

Please review the terms and conditions of the TuitionPay Plan when enrolling at www.pbcc.edu.

If enrolling in the TuitionPay Plan, you must enroll in the Plan by January 5, 2010 and have paid the first payment of 50% of total tuition, plus the \$45 TuitionPay application fee, to secure your classes. PBCC will drop you from your classes if these payments are not received by Sallie Mae prior to January 5, 2010.

Remember that any changes to your schedule may result in an adjustment to your Plan. Please directly contact a TuitionPay consultant at Sallie Mae to ensure that your Plan amount matches your current PBCC tuition and fees.

TuitionPay Enrollment Schedule for Spring Term 2010

Enrollment begins 11/3/09 and ends 1/5/10

3 installments

1st payment: Due at time of enrollment; 50% of total tuition plus \$45 application fee

2nd payment: Due 1/15/10; 25% of total tuition

3rd payment: Due 2/15/10; 25% of total tuition

Deadline to enroll for the Spring Term 2010 is January 5, 2010. 50% of total tuition must be paid by this date to secure your classes.
