INSTRUCTIONS

Application Form

Complete both sides of the Application for Admission form and send to:

OFFICE OF ADMISSIONS

4200 Congress Avenue, Lake Worth, FL 33461

Phone: (561) 868-3300

Incomplete applications will be returned. You can also find out how to apply online at www.pbcc.edu/admissionsapplications.xml

Application Fee – Non-refundable

\$20 U.S. citizen.

\$30 international, U.S. currency (F-1, M-1 applicants only).

Transcripts & Records

All credit degree-seeking students and certificate-seeking students whose program requires high school completion must submit transcripts within the first term or they may not register for subsequent terms. Transfer students must submit both official high school and college transcripts and should have college transcripts sent prior to registration to ensure proper advisement. Official transcripts may be sent directly to PBCC from the issuing institution or may be hand-delivered in a sealed envelope sealed by the issuing institution.

Faxed transcripts are not considered official. All credentials submitted become the property of the College and cannot be returned. Some PSAV programs do not require HS graduation; therefore, no transcripts are needed. See program information in College Catalog.

Placement Tests

All first-time-in-college, degree-seeking students must present their score from FCELPT (CPT) unless SAT-I or ACT-E scores, not older than two years, place students into college level course work. Many PSAV programs require TABE. See program information in college catalog. If you have not yet taken one of the placement tests listed above, contact the Testing Center at the location you plan to attend.

Limited Access Programs

Admission to the college neither constitutes nor guarantees admission to Limited Access programs. If you plan to enter one of these programs, you must request a separate application packet for the specific program. The Program Application, Limited Access Processing Fee (if applied), and records must be submitted to the location designated on that application.

Final Acceptance

Even though you may receive a conditional acceptance and be permitted to register for classes, final acceptance is contingent upon receipt of all required documents, including official high school transcript, GED transcript, or transcript of all previous college work attempted.

Any student omitting information or falsifying the application or records will be subject to immediate dismissal without a refund.

Degrees & Certificates

Bachelor of Applied Science Degree (B.A.S.) - The B.A.S degree is a four-year degree that requires an A.S., A.A.S., A.A. degree or a minimum of 60 approved credits for entry. Students must be admitted into the program to be eligible for the degree.

Associate in Arts Degree (A.A.) - The A.A. is for students planning to attend a four-year college or university after graduation from PBCC.

Associate in Science Degree (A.S.) - The A.S. is intended to prepare students for entry into employment. Though not considered a transfer degree, some transfer is possible.

Associate in Applied Science (A.A.S.) - The A.A.S. is designed to prepare students for entry into employment. The A.A.S. may include courses that will not typically apply to a baccalaureate program.

Advanced Technical Certificate (A.T.C.) - The A.T.C. is a program of instruction of 9–45 credit hours of college-level courses. The ATC may be awarded to students who have already received a degree and are seeking an advanced, specialized planning program to supplement their associate or other degree.

Applied Technology Diploma (A.T.D.) - The A.T.D. is part of an A.A.S. or A.S. degree, is less than sixty (60) credit hours, and leads to employment in a specific occupation.

College Credit Certificate (C.C.C.) - The C.C.C., also known as Post Secondary Vocational Certificate (P.S.V.C.), is a certificate that provides instruction consisting of college-level courses to prepare students for entry into employment.

Post Secondary Adult Vocational (P.S.A.V.) - The P.S.A.V. programs provide instruction consisting of non-college level courses to prepare for entry into employment. Completion of courses within the programs shall be recognized by the award of units of measure called vocational credit.

Non-Degree (N.D.) - The N.D. designation is intended for students who have earned at least a standard high school diploma or GED, are interested in taking courses for their own personal improvement or general interest and do not plan on obtaining any type of degree at this time. Students in this category cannot receive financial aid. Refer to PBCC Catalog for additional information. Non-degree seeking students receive college credit, but are limited to taking 21 credit hours total.

Notification of Collection and Use of Social Security Numbers (Section 119.071(5), Florida Statutes)

This notice is intended for students, employees and applicants. Palm Beach Community College collects your social security number for use in performance of the College's duties and responsibilities for the following possible purposes: classification of accounts; identification and verification; credit worthiness; billing and payments; data collection; reconciliation; tracking; benefit processing; tax and scholarship reporting; financial aid processing; athletics recruiting; accreditation of programs; and reporting to authorized agencies of the state and federal government. Social security numbers are also used as a unique numeric identifier in certain cases and may be used for search purposes. Federal Law requires that we protect social security numbers from disclosure to unauthorized parties. Students and employees are assigned PBCC identification numbers to assist in protecting their identities.

RESIDENCE CLASSIFICATION: All students must declare a residency status prior to the start of the term.

A Florida "resident for tuition purpose" is a person (or a dependent person whose parent or legal guardian) who has established and maintained legal residence in Florida for at least the last 12 consecutive months. Residence in Florida must be a bonafide domiciliary rather than for the purpose of maintaining a residence incident to enrollment at an institution of higher education. Other persons not meeting the 12 month legal residence requirement may be classified as Florida residents for tuition purposes only if they fall within one of the limited special categories authorized by the Florida Legislature [Florida Statue 240.1201(2)(a)]. (Statue subject to change) All other persons are ineligible for classification as a Florida "resident for tuition purposes."

To qualify as a Florida "resident for tuition purpose", you must be a U.S. citizen, permanent resident alien or a legal alien granted indefinite stay by the Immigration and Naturalization Service. Living in or attending school in Florida will not, in itself, establish legal residence. Students who depend on out-of-state parents for support are presumed to be legal resident of the same state as their parents unless one parent has established legal residence in Florida for more than 12 months. Residence in Florida must be for the purpose of establishing a permanent home and not merely incident to enrollment at an institution of higher education. Documents supporting the establishment of legal residence must be dated, issued or filed 12 months before the first day of classes of the term for which a Florida resident classification is sought.

Definitions

DEPENDENT: A person for whom 50 percent or more of his/her support is provided by another as defined by the Internal Revenue Service.

INDEPENDENT: A person who provides more than 50 percent of his/her support.

(A copy of your and/or your parents' most recent tax return or other documentation may be requested to establish dependence/independence.)

NON-FLORIDA RESIDENTS ONLY

I understand I DO NOT qualify as a Florida resident for tuition purposes for the term for which this application is submitted and that if I should qualify for a future term, it will be necessary for me to file the required documentation prior to the beginning of the term in order to be considered for Florida residency classification.
