**Microdermabrasion - How & Why it Works!**  
**TIO 0976**                      **4hrs**                      **\$40.28**

Learn the Who, What & How of Microdermabrasion. Microdermabrasion is a viable and cost effective alternative to the expensive more invasive techniques. This technique removes dead cell tissue from the outermost layer of skin and returns the skin to it's normal healthy state. This class includes hands on learning. Prerequisite: State of Florida Cosmetology or Estheticians license or spa owners & spa directors.

**Aromatherapy - Learn how to relax or energize**  
**TIO 0977**                      **4hrs**                      **\$40.28**

Where do we begin as professionals with thousands of essential oils to choose from? Add to your resume and specialties with this unique class. Learn how to relax or energize your client. Increase your retail sales. The process of smelling begins with the olfactory receptors. Smells can induce pleasure and trigger memory. Aromas are now used in medicine, retail and the beauty business. Prerequisite: State of Florida Cosmetology or Estheticians license or spa owners & spa directors.
