

# Keep Flying with PBCC

## Continuing Education

Want to brush up for a job interview?

Need sim time to maintain your instrument currency?

What about prepping for your instrument check ride?

Train using advanced technology simulation systems that include the following aircraft: King Air 200, Beechcraft Baron, Seneca III, Piper Arrow and Cessna 172.

Training is scheduled on an individual basis with a flight instructor at a time convenient for you!

Courses are geared to accommodate all levels of pilot proficiency.

For more information or to schedule Sim Lab time contact Judy Maxwell at 561-868-3474 or Suhe Bethell at 561-868-3916

*Classes are ongoing. Sign up now!*
