

MATH MAGIC

Dr. Laura Heath

*Professor Marti
Pawlicki*

Two of the most accomplished mathematics magicians in all of Palm Beach Community College South Campus, second floor Classroom building will be performing their amazing feats of arithmetic prestidigitation. Doctor Laura Heath and Professor Marty Pawlicki will use math skills to make predictions and surprise you.

Although, Professor Pawlicki was refused admittance to the Wringling Brother's Clown College "Marty the Clown" did entertain at children's parties and in the Thanksgiving Day Parade in Detroit.

Doctor Laura Heath is not a medical doctor and therefore will not be allowed to actually saw her assistant in half. Yet it will be an hour of fun and entertainment. If you only see one show this year you need to get out more!!

Can you find 2 prime numbers whose sum is prime?
