Program Information

About the Program

Palm Beach State College offers an Associate of Science degree in Sonography and a four semester College Credit Certificate. It is a career oriented college-level program consisting of classroom, lab and clinical experience. The mission of the Program is to graduate students with entry level employment skills required of a Sonographer. Two tracks of completion are available for the Sonography Program.

The program has a 14 month, competency based curriculum which includes practical experience in local hospitals and is designed to develop technical proficiency through extensive clinical exposure. The program is designed to begin in the summer term each year, and requires a full-time commitment beginning in Fall Term. Those seeking an Associates degree may take the general education courses before the core courses.

What are the duties of a Sonographer?

A Diagnostic Medical Sonographer uses creativity and advanced technological ultrasound equipment to produce images of the body. Sonographers use high frequency sound waves to demonstrate body parts and assist the physician in the diagnosis of medical abnormalities. The sonographer must have an exceptional understanding of human anatomy and an artistic, creative self-directed approach for locating and demonstrating anatomy and pathology.

What is the job outlook?

Excellent. The demand for diagnostic imaging personnel is expected to increase sharply, according to the U.S. Department of Labor. Salary ranges for graduates of such programs vary by region. The registered technologist can expect to enter the job market at approx. \$40,000 annually, with increases based on experience and specialization, up to \$50,000 or more, according to the 2001 ASRT Wage Survey.

What are the costs for the program?

Florida resident tuition costs \$82.50 per credit hour and the program requires 72 credit hours. Total tuition costs for the program are approx. \$5940.00. Books, laboratory fees, uniforms, liability insurance, and professional association membership dues total approx. \$900.00. Transportation considerations for attendance to clinical training typically ranges between \$650 - \$1,250. (Gas, oil, maint.) Total cost: \$7,450 - \$8,090. The Certificate program would be about \$2,400.00 less.

After graduation from the program, how can I further my education?

As a profession, Sonography emphasizes career development which leads to additional certification in echocardiography and vascular imaging. Palm Beach State is offers an Advance Technical Certificate in Echocardiography.

ALL APPLICANTS MUST ATTEND A MANDATORY OPEN HOUSE SESSION.

These sessions are held July through February, in Room LC 122 of the Lewis Center from 1 – 2 p.m. on the Palm Beach Gardens Campus. No appointment is necessary.

Requirements for Consideration for Selection

Meeting the criteria for selection does not guarantee admission to the program. Final selection will be based on the applicant pool. These criteria supersede any other information.

APPLICATION

First-time Palm Beach State Students: Submit a completed Palm Beach State general application at www.FACTS.org (choose Admissions) and pay the appropriate fee. This one-time fee is \$20 for U.S. citizens, \$30 (U.S. currency) for international students and is non-refundable. Be sure to insert your current and active e-mail address where requested. In addition, applicants must submit a Palm Beach State Sonography program application along with payment or a paid receipt for an additional non-refundable processing fee of \$20 required with each program application.

Non first-time Palm Beach State Students: There is a \$20 non-refundable processing fee due with each Sonography program application. Submit payment or a paid receipt for this processing fee along with a program application to the Admissions Office.

Academic High School Diploma or GED

Transcripts must be official transcripts (*transcripts are considered official if sent directly to Palm Beach State from the institution or hand-delivered in a sealed envelope sealed by the issuing institution*) to the Palm Beach State Admission Office. All applicants, new, current and college transfer students must have their official high school or GED transcript on file at Palm Beach State. You may download the transcript request form from our website at <http://www.palmbeachstate.edu/Transcripts.xml> Students who received a Florida GED can request their scores using the downloaded form at <http://www.palmbeachstate.edu/Transcripts.xml>

College Transcripts

Official college transcripts (*transcripts are considered official if sent directly to Palm Beach State from the previous institution or be hand-delivered in a sealed envelope sealed by the issuing institution*) from ALL post-secondary institutions attended must be submitted. You may download the transcript request form from our website at www.palmbeachstate.edu/transcripts.xml. All post-secondary records from out of the country must be submitted with a commercial evaluation. If you have attended college, we still require proof of a standard high school diploma, GED or validated foreign equivalent. Commercial evaluation of foreign transcripts must be conducted by approved evaluators listed at <http://www.palmbeachstate.edu/ForeignTranscript.xml>
