**General Comments:**

1. I gained a great deal of information and enjoyed meeting my peers. Very well done.
2. The meetings were very interesting and very informative. I appreciate the insight.
3. The information was more than adequate but not over the top. The timing was such that by the time I felt that enough had been said, the presentation was over. The presenters were at ease and therefore I was at ease. I felt welcomed. Also, the goody bags were great!
4. Enjoyed my day--informative but will take a while to digest
5. It was a nice session which instilled pride in my association with PBCC. Thank you
6. Since I am a program instructor, I was not present for the Faculty portion, so I did not hear the presentations on #2 above, thus my "neutral" comments.
