Course Syllabus – Classroom Courses**

General Class and Course Information

Course number: FFP 1540 Class Reference Number: 132455 Term: 2010-1

Course title: Private Fire Protection I Credit/Contact hours: 3

Course Description: This course addresses the functions and general design principle of gaseous and solid particle suppression systems. Additionally, this course will include a review of standards and principles of installation of detection, signaling, communication systems and the characteristics and limitations of extinguishing agents.

Course Learning Outcomes: As a result of taking this course, the student will be able to

- Define the four classifications of automatic sprinkler systems.
- Explain the reasons for the need to have different sprinkler systems.
- Describe the different types of control devices and their function in an automatic sprinkler system.
- Demonstrate the ability to read the various pressure gauges provided on all types of automatic sprinkler systems.
- Identify the appropriate classification, size and quantity of fire extinguishers for a given property.
- Identify the various sources of water for sprinkler and standpipe systems and determine their flow capability for a given occupancy.
- Differentiate the operational readings of existing automatic sprinkler, fire alarm, kitchen hood systems and first-aid fire extinguishers.
- Explain the various deficiencies that would determine a system to be non-operational.
- Demonstrate the ability to communicate both verbally and in written form, the requirements to make a system operationally ready.
- Evaluate an acceptance test for a new protection system for compliance with applicable codes and standards.
- Identify the appropriate certifications of inspection and testing for fire-extinguishers, hood systems, sprinkler systems and alarm devices.

Methods of Assessment:

- Objective Tests
- Comprehensive Final Exam
- Other
- Field trips to visually see private fire protection systems.

Class Requirements

Assignments :

Session 1: 09/29/09
1800 - 2200

Introductions and Course Overview
Review Class Projects
Chapter 1 – Portable Fire Extinguishers
Review for Quiz #1

Session 2: 10/02/09

Quiz #1 – Portable Fire Extinguishers
Chapter 7 – Special Extinguishing Systems
Review for Quiz #2 and Study Guide Assignment

Session 3: 10/05/09

Quiz #2 – Special Extinguishing Systems
Chapter 2 – Fire Detection and Signaling Systems
Review for Quiz #3 and Study Guide Assignment
Field trip - TBD

Session 4: 10/08/09

Quiz #3 – Fire Detection and Signaling Systems
Review for Mid-Term Examination (Chapters 1,2,7)

Session 5: 10/14/09

Mid-Term Examination
Review of Mid-Term Examination
Chapter 5 – Standpipes and Hose Systems
Review for Quiz #4 and Study Guide Assignment

Session 6: 10/20/09

Quiz #4 – Standpipes and Hose Systems
Chapter 3 – Introduction to Water Supply
Chapter 4 – Fire Pumps
Class Projects

Session 7: 10/23/09

Chapter 6 – Automatic Sprinkler Systems
On-Site Demonstration from PBCFR
Review for Quiz #5 and Study Guide Assignment

Session 8: 10/29/08

Quiz #5 – Automatic Sprinkler Systems
Class Projects
Review for Final Examination and Complete Study Guide

**Palm Beach Community College
Course Syllabus – Classroom Courses**

Session 9: 10/29/09
Field Trip

Session 10: 11/04/09
Review of Final Presentations and Final Exam
Final Examination
Evaluations and Certificates

Late Assignment Policy: No late assignments are allowed. Students can make arrangements with instructor prior to exam assignment date.

Grading Scale and Policy: Students must maintain an average grade of 70% on all quizzes to pass this course. A grade of at least 70% is required to pass the mid-term examination, the final examination, and the course. The final exam grade will become the final grade of the course, and will be expressed as follows:

Percentage	Grade
93 – 100	A
85 – 92	B
78 – 84	C
70 – 77	D
<70	F

Students in this course may be taking this course:

for college credit; in preparation for the Florida Fire Inspector examination; as continuing education for re-certification as a fire inspector.

Tests, Quizzes, and Final Examination Schedule: Quizzes are 10% of final grade, Class project is 15% of final grade Midterm is 25% of final grade, Final exam is 50% of final grade.

Make-up Exam Policy: No make-up exams allowed.

Class Policies and Methodology

Attendance: Professors are required to take attendance. Students are expected to attend all courses and course activities for which they are registered. Any class meeting missed, regardless of cause, reduces the opportunity of learning and may adversely affect a student's achievement in the course. Students are required to attend at least 90% of the total class hours in order to receive credit for the course. An accurate record of attendance will be kept for each course. If a student misses one-fourth or more of a class session, the student will be counted absent. Being tardy 3 times will count as one absence. Leaving early will be treated the same as being tardy.

Electronic Device Use: Laptops are allowed in class. Cell phones and cameras will not be allowed during class time.

Email Policy: Email instructor at davisma@pbcc.edu

Equipment and Supplies: No special equipment or supplies required for this class.

Professor's Expectations: Students are expected to be involved in class discussions. Students are expected to attend all classes and field trips. Students should contact instructor prior to missing a class

Methods of Instruction: Lectures, videos, field trips, hands-on learning and class discussions will help meet all objectives of this course.

Palm Beach Community College Course Syllabus – Classroom Courses

Unique Requirements of the Class: Dress for students in the classroom setting shall be business casual (no shorts, t-shirts, or open-toe shoes). T-shirts will be permitted in the field setting at the instructor's discretion. Hats may not be worn inside the building, and if worn outdoors must be worn properly (ball caps facing forward not sideways or backward, etc.) Students will not be allowed to continue in the class until dressed appropriately. Eating and drinking are confined to the cafeteria and break areas. No food or drink allowed in the classroom, with the exception of water. Smoking is not permitted in any College building and will be allowed only in the parking lot.

College Policies and Web Information

Academic Dishonesty

Academic dishonesty includes the following actions, as well as other similar conduct aimed at making false representation with respect to the student's academic performance:

(1) Cheating on an exam, (2) Collaborating with others on work to be presented, if contrary to the stated rules of the course, (3) Submitting, if contrary to the rules of the course, work previously submitted in another course, (4) Knowingly and intentionally assisting another student in any of the above actions, including assistance in an arrangement whereby work, classroom performance, examination, or other activity is submitted or performed by a person other than the student under whose name the work is submitted or performed, (5) Plagiarism.

Please refer to the **Palm Beach Community College Student Handbook** (www.pbcc.edu/Documents/Marketing/studenthandbook.pdf) for further information.

Classroom Etiquette and Student Behavior Guidelines

Students will demonstrate respect for professors and fellow students. Behavior that is disruptive to a positive learning environment reported by the professor will result in a warning on the first instance; the second instance might result in expulsion from the course or campus.

Computer Competency Component

Each student will, to the satisfaction of the professor, demonstrate a fundamental understanding of basic computer operations through various professor-determined exercises and/or assignments.

Disability Support Services

Students with disabilities are advised, in compliance with federal and state laws, that accommodations and services are available through the office of Disability Support Services (DSS). It is the student's responsibility to contact Disabled Student Services Advisors and to submit appropriate documentation prior to receiving services. Please see the website at www.pbcc.edu/disabilities.xml.

Eating, Drinking and Smoking

Eating and drinking are confined to areas designated on the campus. Smoking is not permitted in any College building and only in areas designated at each campus.

Student Responsibility Policy

When a student attends the College, s/he becomes subject to its jurisdiction. Students are expected to conduct themselves in a responsible manner, in all areas of campus life. By enrolling, they pledge to obey the rules and regulations of the College and are responsible for observing all College policies and procedures as published in the student handbook, the College catalog and other College publications. The student will be responsible for preparing for class, participating in class, and completing assignments on time.

PBCC Websites of Interest

Please see this web page (www.pbcc.edu/x340.xml) for a list of web addresses for students.

Withdrawal Policy for Individual Courses

The last day to withdraw from a College course with a "W" grade in this course is October 23, 2009. It is the responsibility of the student to use the PantherWeb system or visit a campus Registrar's office to withdraw. An official withdrawal entitles the student to a grade of "W" in the class.
